January 13, 2023

Greetings,

It is my pleasure to announce the South Carolina Public Health Association (SCPHA) will offer two (2) scholarships, each in the amount of \$500, to eligible candidates in the field of Public Health. The continued awareness of the role of public health depends upon the enthusiasm and commitment of existing and future public health professionals. Scholarships support the SCPHA mission for “scientific and professional development of the membership.” The two (2) scholarships will be presented at our SCPHA Annual Conference on March 29, 2023.

We appreciate your previous support of SCPHA and request your assistance, which is crucial to the success of SCPHA and our scholarship program, in publicizing these scholarships and our Association in the following ways:

1. Please promote these opportunities by posting and sharing the attached information about the two (2) scholarships among potential applicants and your public health colleagues. The applications are also available on the SCPHA website (www.scpha.com). The deadline for submission is Monday, March 6, 2023.
2. Please assist the Association in recruiting potential members by circulating the attached membership application among students and colleagues. Potential members may also visit the SCPHA website (www.scpha.com) to download the application, pay fees online, and mail or fax the application to the SCPHA office.
3. Please join us for our Annual Educational Conference at Myrtle Beach, March 27-30, 2023. Information and conference registration can be found at <https://tinyurl.com/2fdrkc98> .

If you would like more information on SCPHA or have questions regarding the scholarship program, feel free to contact me via email at mlacesmom@gmail.com or visit our website at www.scpha.com.

Thank you for your consideration and continued support.

Sincerely,

ML Tanner
