January 18, 2022

Greetings,

It is my pleasure to announce the South Carolina Public Health Association (SCPHA) will offer two (2) scholarships, each in the amount of \$500, to eligible candidates in the field of Public Health. The continued awareness of the role of public health depends upon the enthusiasm and commitment of existing and future public health professionals. Scholarships support the SCPHA mission for "scientific and professional development of the membership." The two (2) scholarships will be presented at our SCPHA Annual Conference on March 29, 2022.

We appreciate your previous support of SCPHA and request your assistance, which is crucial to the success of SCPHA and our scholarship program, in publicizing these scholarships and our Association in the following ways:

1. Please circulate and post the attached copies of the two (2) scholarship applications to potential applicants, colleagues, and friends. The applications are also available on the SCPHA website (www.scpha.com). The **deadline for submission Friday, March 4, 2022.**
2. Please assist the Association to recruit potential members by circulating the attached membership application to students and colleagues. Potential members may also visit the SCPHA website (www.scpha.com) to download the application, pay fees online, and mail or fax the application to the SCPHA office.

Also, the contributed papers committee will make a selection to receive a \$100.00 monetary award and certificate from the South Carolina Institute of Medicine and Public Health. This award is for the Contributed Papers/Outstanding Student Abstract Recognition for either a verbal or poster abstract that was presented at the 2022 SCPHA Annual Conference.

If you would like more information on SCPHA or have questions regarding the scholarship program, feel free to either contact Tammy at 803-268-5835 or thomaste@dhec.sc or visit our website at www.scpha.com.

Thank you for your consideration and continued support.
Sincerely,

Tammy Thomasson
